All sign requests must be reviewed by the Design Control Board on any scheduled DCB meeting. The DCB meets the 1<sup>st</sup> Wednesday and 3<sup>rd</sup> Wednesday of the month. An approval from the Design Control Board does not substitute or serve in lieu of any requires County Building Permit. However, a letter of approval may be used to facilitate obtaining the Building Permit.

To obtain the Design Control Board approval, the request requires compliance with the Poinciana Subdivision Declaration. Applicants acknowledge and agree with Master Signage Provisions and to uniform enforcement of the provisions.

**Property Owner** is responsible to restore to original condition any swales or greenways around this lot that are damaged by the builder or any of the builder's sub-contractors.

**Property Owner** must contact all utility companies, including cable and internet companies if installation of sign requires any digging.

I and/or my assign (s) have read the requirements set forth above and have understood that the compliance with the Master Signage Criteria is my/our responsibility without further notification from Association of Poinciana Villages, Inc. (APV). I/We will abide by the terms set forth in the Master Signage Criteria.

Applicants acknowledge receiving copy of the Master Signage Criteria section of the Poinciana Subdivision Declaration.
